WEDDINGS at Ponti's

CONGRATULATIONS

on your engagement

Our Sheffield wedding venue is in prime position at the beautifully designed Fox Valley - situated by the landscaped peace gardens and fountain area at this award-winning development.

Built on a former steelworks site our Perini&Perini event space has an industrial New York loft feel with stunning arched windows. Bifold doors open onto a large, south facing, outdoor balcony and the interior features beautiful fairy light lit trees.

We are licensed to hold wedding ceremonies and civil partnerships with various packages available.

Our first floor wedding venue has capacity for 60 persons, formal, seated and a reception capacity for 130 persons.

We are an independently owned, family business, with staff who take delight in their work. Great service is integral to our business, so you and your guests will be well looked after for your event.

Our stunning and stylish venue is the perfect backdrop for you to make memories.

ONE HAPPY COUPLE

one lovely review

“ Oh we had THE BEST night of our lives! Everything was amazing. People are still talking to us about what a great party it was, how beautiful the venue was and how delicious the pizza was. The staff that were working on the night of our event were amazing. They helped entertain the kids, took care of all of our guests, made us feel really special and also we were delighted to see them having fun too (who doesn't appreciate a good band, right!?)

We can't thank you all enough for everything. Thanks for answering all my questions ahead of the event, helping set up our gift table/photos etc, and for gathering up all the belongings we left behind after many glasses of prosecco!

We've had people asking about hiring your venue and we couldn't recommend it more - but anyone who was at the party wouldn't need us to sell it to them anyway as it speaks for itself!

Thank you all so much for being part of the best day of our lives!

We hope to see you all soon!
